18. DEPARTMENT OF KASHMIRI

After the ex-Senior Fellow in Kashmiri proceeded on study leave with effect from the 8th of January, 1975, the department could not function properly for a period of nearly seven months. In fact, the activities of the department had for the initial three years remained limited to the purchase of books, equipment, furniture, etc. and to procuring of grants from various agencies for implementing certain research projects. In order to revitalise the department the Vice-Chancellor on 26th April, 1975 appointed a Consultant Committee comprising the following members :-

1. Prof. M. D. Hajini,
2. Shri A. Rahman Rahi,
3. Shri Muzzaffar Azim ; and
4. Shri B. N. Kalla.

Shri Gulam Nabi Gawhar (Magistrate Ist class) was co-opted as an additional member of the Committee.

In order to make the Committee more effective and broad-based, Dr. Shams-ud-Din Ahmad, Head of the Post-graduate Department of Persian, the University of Kashmir and Shri Mohd. Yousuf Taing, Director of Information, Government of Jammu and Kashmir, now Secretary, Cultural Academy, Srinagar, were included as members of the Committee.

With a view to making the Department academically viable, the Consultant Committee recommended that the Department should undertake some projects for the development of the Kashmiri language and its literature. With the appointment of the present Senior Fellow in the month of July, 1975 the Department became active and a number of projects and immediate requirements of the Department were drafted in consultation with the members of the Consultant Committee In order to implement these projects, the University Council sanctioned a grant of Rs. 53,000/- which enabled the department to take up the following projects in hand :-

1. Preparation of Basic Books in Kashmiri

The Department, was for the first time in its history provided with an additional grant of Rs. 20,000/- for preparation of Basic Books in Kashmiri on various scientific and non-scientific subjects to serve as material for extra reading for students and scholars interested in Kashmiri. As many as 17 manuscripts of the Basic Books were got prepared, reviewed, finalized and these stand now ready for the press. The books, when published, wiil be felt extra-ordinarily importtant for the language as a whole and will pave way for the inevitable introduction of Kashmiri at various levels. These books are also expected to prove to be of much value for the Diploma Course in Kashmiri, which the Department intends to start during the year 1976-77.

2. Dictionary of Men of Letters

The project regarding the compilation of a Dictionary of Men of Letters of Kashmir was taken up in hand with a view to preparing and consolidating in one volume a sort of a reference book providing a brief bio-data and a concise description ot works of all ancient and modern prominent writers of Kashmir irrespective of whether they wrote in Sanskrit, Persian, Hindi, Urdu or English. This much-needed project was also readily approved of by the University Council and a grant of Rs 5,000/- was sanctioned for this project. The Dictionary was divided in various Sections and eminent professor and scholars having due knowledge and experience of their respective fields were assigned the duty of editing the Dictionary. It was with the active co-operation of these editors that four sections of this Dictionary were completed and the remaining three sections i. e., Sanskrit, Arabic, and Persian are nearing completion. This project, when complete, will be a very useful addition to Kashmiri Literature.

3. Additional Staff

In order to assist the Senior Fellow in implementing the schemes taken up during the year 1975-76, the following additional staff was sanctioned for the Department:-

1. One Katib.
2. One Junior Assistant, and
3. One orderly.

4. Library Grant

In order to clear previous liabilities, the department was provided with an additional grant of Rs. 5,000/- for the purchase of books and journals during the year.

5. Seminar

The Department, organised a two-day seminar on the 6th and 7th of December, 1975, at S. P. College, Srinagar, which was unanimously acclaimed by the local press, radio & television as a historic event of great significance for the real development of the Kashmiri language and its literature. It was for the first time that scholars and men of letters of the J & K State as a whole participated in a seminar on Kashmiri and expressed their views for the advancement of this language. Six research papers were read out at the seminar each of which upturned some virgin soil and opened up new vistas into the past, the present and the future of the language and literature in question. Even the 2 day discussions that followed the basic papers (all of which have been tape recorded by the Deptt.) were, apart from their being representative of various shades of opinion valuated as being qualitatively of quite high order. The department has edited all the proceedings of the Seminar and proposes to publish them shortly in the form of a Souvenir. It is as a result of this 2-day seminar that Kashmiri Centers and 'Mahfils' are being established in various far-flung areas of the State like Doda, Rajouri, Poonch, etc., and efforts are being made for encouraging Kashmiri writers of those areas and creating there conditions congenial to the development of the Kashmiri language and literature.

6. Kashir Adabi Mahfil

The Department of Kashmiri set up the Kashir Adabi 'Mahfil' and through it organised literary gatherings of teachers, scholars, students of the campus, and of the affiliated colleges interested in the advancement of the Kashmiri language and literature. In consultation with the Consultant Committee and some eminent scholars and lovers of the Kashmiri language, the department proposes to make arrangements for a literary competition. The idea has been so much appreciated by Kashmiri writers at large that some of them have offered the Department their donations in cash for conducting such competitions, and the Department has been obliged to accept them in anticipation of its being approved by the competant authorities of the University.

7. Tri-lingual Dictionary

With the financial assistance of the Ministry of Education, Government of India, the Department has taken up a project regarding the completion of two Tri-Lingual Dictionaries, namely:-

(i) Hindi—Kashmiri—English ; &
(ii) Kashmiri—Hindi—English.

The Board of Editors appointed for this purpose has already completed the first Hindi—Kashmiri - English Dictionary and the second one, namely, Kashmiri—Hindi—English Dictionary is nearing completion. When complete, this project will raise the status of Kashmiri still higher amidst other sister languages of the country.

8. Starting of a Diploma Course in Spoken and Literary Kashmiri

A proposal to start a Diploma Course in Spoken and Literary Kashmiri was sent to the University Grants Commission which readily accepted it. For this purpose the Commission has already sanctioned an amount of Rs. 75,000 during the 5th Plan period. This amount will be in addition to the expenditure which the Commission may sanction for the appointment of teaching and non-teaching staff for starting the course.

A proposal regarding the latter expenditure has already been sent for approval to the Commission. In the meantime, the University Academic Council has adopted the Syallabus and Courses of study for the said course, and, after approving a set of statutes that are envisaged to govern the course, the Academic Council has recommended those for adoption by other concerning bodies of the University.

6. Hostel facilities :

Facilities are available for 666 students but only 629 and 546 students were residing during spring and autumn semesters, respectively.

7. Games facilities :

College has provided all facilities to the students such as Football, Cricket, Hockey, Tennis, Volleyball, Basketball, Gymnasium, Atheletics, Badminton, Acquatics, Indoor games etc.

8. Hikes/Educational Tours etc. (if organised) :

No hikes or tours but regular games and sports for full academic year.

9. Seminars/Conferences/Congresses attended :

Civil Engineering Department :

S.No.	*Name of the Teacher*	*Conference attended*	*Date*
1.	Prof. Dr. O. N. Wakhlu	a) Presided over the annual Convention of the Institution of Engineers India, J&K Centre at Jammu Tawi	March, 1976
		b) Delegate to International Water Resources Association Symposium at New Delhi	15-17 December, 1975
		c) Symposium on Energy conservation held by I.E.I (J&K Centre, Srinagar) on Engineers Day	15-16 September, 1975
2.	Shri A. K. Koul, Assistant Professor	Attended the Winter School at IIT, Kanpur on Hydrology	December, 1975

3. Dr. S. K. Sadasiven, Assistant Professor	Asian Regional Conference on Soil Mechanics and Foundation Engineering at I I Sc. Bangalore	December, 1975

Electrical Engineering Department :

1. Dr. Ali Mohamad Wani Assistant Professor	Attended Short Term Research Programme at IIT, Delhi	January–February, 1976

Mechanical Engineering Department :

1. Dr. M. K. Kahushu Assistant Professor	Operation Research Technique	14.2.1976 to 28.2 1976

Chemical Engineering Department :

1. Dr. V. Pachaiyappan	Presented a paper (in absentia) to the 68th Annual Conference of American Institute of Chemical Engineers at Loss Angles	November 16-18,1975

Mathematics Department :

1. Dr. A. R. Ansari, Professor	2nd World Congress on Water Resources & Commonwealth Symposium on Operations Research	December 12 - 17, 1975 (New Delhi)

Humanities Department :

1. Shri Tej Nath Dhar Lecturer	Institute of Post-War American Literature sponsored by the United Study Educational Foundation in India at the American Study Research Centre, Hyderabad	15-31st of March 1976

10. Research facilities :

Civil Engineering Department :

a) Testing facility	Concrete, Timber, Steel, Surveying Equipment Hydraulic Models, Water samples, testing of G. I. wire products as per I. S. I. Specifications, plywood, geoical testing of rocks. bearing capacity of foundations, soil testing, repair and calibratian of surveying instruments.
b) Training facility	Workshop lab. and teaching aids available for the training of junior technicians in Civil Engg. Lab, practice and construction techniques in Civil Engineering Fields.
c) R. D. & D. Work	The following R. D. & D. works are under progress : i) Water resources engineering ; building design structural concrete and timber constructions ; soil mechanics and foundation engineering and public health engineering ; ii) Design of hydraulic system and structures ; structural design model testing of structure and hydraulic models payment design; reports on soundness of works, foundation design ; soil reports and irrigation system design.

Electrical Engineering Department :

The following projects were undertaken by 10th semester students during the year 1975. All of these projects were designed and assembly projects and most of them were successfully completed.

1. A. C. D. C. relays for remote control
2. Blood Flor indicator
3. Biological Talemetry Part I, Electrocordiogram
4. Simulation of Indicators
5. Feedback control of D. C. Generators
6. Grytsal controlled ossicelators
7. Biomedical telemetry part II, Electromyogram
8. Modelling of man-made noise and its application to phase coherent detectors on distribution of noise
9. Performance of Fequency shift keyed system in the presence of man made noise.

Chemical Engineering Department :

Routine Analysis equipments are available. They may also be used for research purposes.

Metallurgical Engineering Department :

This Department has facilities for conducting research studies in the following fields :

a) Beneficiation of Ores and Minerals

b) Non-ferrous Matallurgy

    i) Extraction of metals from their Ores and Concentrates

    ii) Recovery of secondary metals like Pb. Zu. etc. from Scrop, used batteries etc.

    iii) Electrowining of metals.

    iv) Electroplating

c) Melting and casting of metals and alloys
d) Testing of sands for their suitability for foundry purposes
e) Macto and Micro Examination of metals and alloys
f) Heat treatment of metals and their alloys
g) Case hardening by carborizing, Syaniding, etc.

The department of Physics, Chemistry and Mathematics have been recognised as centres for research leading to the award of Ph. D. Degree.

Physics Department :

Facilities for research exist in the following fields :- 1) Electronics 2) Solid State Physics and 3) Theoretical Plasma Physics

Chemistry Department :

The research studies in various fields continued as usual. Research facilities were improved by adding new chemicals and equipment to the Laboratories. The library facilities were also expanded in respect of books and journals.

Shri T. K. Razdan was appointed as JRF (UGC). He completed studies on chemoecological variations of Thymus Serphyllum Linn and developed two specific colour reactions for colorimetric estimation of Essential Oil components.

Another Research scholar Shri V. K. Koul, who earned JRF (C.S.I.R.) was admitted to the Department to pursue research studies on "Chemosystematics of Anemones" under the supervision of Dr. G. L. Koul.

Mathematics Department :

Research programmes leading to Ph. D. Degrees in Statistics Operations research, Topology, Functional Analysis, Differential Geometry and Numerical Analysis can be undertaken. However, calculating machines are badly needed for data processing.

11. Details of research publications, if any, during the year with date and name of the journal :

Civil Engineering Department :

1. Dr. O. N. Wakhlu	i) "Engineering Education" presented at the I. E. (India), J&K Centre, Srinagar August, 1975

	ii) "A dimensionaless number for the study of flow in open channels" Instn. of Civil Engineers, London, September, 1975.
	iii) "Design of Barrages on steep incised streams" submitted to CBIP for publication in April, 1975. (with co-author Shri M. K. Magazine).
	iv) "Planning of water Resources Projects" paper presented at I. E. (India), J&K Centre, April 1975.
	v) "Energy Conservation and Production" paper presented at I. E. (India) September, 1975.
2. Dr. D. V. Chandrasekhara	i) "Some characteristics of Cavity Flow Post Cylindrical Inducers in a venturi" presented at the winter meeting of ASME, Houston, Taxes Paper No ; 75 - WA/PE - 7 (to be published in Journal of Fluids Engineering, Trans. ASME)
3. Dr. S. K. Sadasevan	i) "Shear strength of sand at constant volume" journal of Testing and Evaluation, ASTM, 1976 (communicated for publication).
	ii) "A theory for shear strength of granular materials" journal of Geotechnical Engineering Division. ASCE, 1976 (communicated for publication).
4. Shri M. K. Magazine	i) "Cavitation as applied to River Valley Projects" submitted to CBIP journal awaiting publication.

ii) "Design of Barrages on steep incised streams" submitted to CBIP for publication.

5. Shri R. L. Misri

i) "Risk Criteria in Flood Control projects" I. E. (India) Seminar, April, 1975.

ii) "Mechanised Transport through River Jhelum" submitted to J&K Government in 1975.

iii) "Risk criteria in culvert design" paper for publication, Journal I.E. (I), September, 1975.

Electrical Engineering Department :

The paper entitled "A model for Graduation of Tension-Recruitment and Rate Coding" by Dr. A. M. Wani, et al., was published in International Journal of Medical and Biological Engineering in November, 1975 vol. 13, Nos. 6, pages 870–875.

Mechanical Engineering Department :

The following research papers of the staff members were published during the year :–

1. "Random Exitation of Elastic Visco Elastic beams" by Shri O. N. Kaul published in the proceedings of 19th Congress, I. S. T. A. M.
2. "Penentration in under–water Shielded metal arc welding" by Shri R. S. Parmar presented during 55 Annual Convention of Institute of Engineers (India) held in February, 1975 at Lucknow.

Chemical Engineering Department :

i) Dr. V. Pachaiyappan

a) "Pollution from Tanning Industry", Chemical Age of India 26 P 368–374 (1975)

b) "Corrosion Aspects and utilisation of stainless steel in Chemical

	Industries", Chemical Age of India 26 (10) P 759 – 765 (1975) (In collaboration with Pahanvi University, Shiraz, Iran).
	c) "New Correlation with Nomorgram of viscosity for Process Design" 68th American Institute of Chemical Engineers Conference, Los Angles, USA, November 18–19, 1975.
ii) Shri G. A. Wani	"Peroxide Bleaching of Bamboo Graft Pulp" India Pulp and paper April/May, 1975.

Papers accepted/communicated/under preparation :

i) Dr. V. Pachaiyappan :	"Pollution (Air & Water) Control of H_2S and $S0_2$ in Petroleum, Refineris" accepted.
ii) Dr. D. K. Bharadwaj	3 papers under communication.
iii) Shri G. A. Wani	"Sulfate Pulp from Pine & Kail woods of Kashmtr Valley" accepted.
Research under progress :	Dr. V. Pachaiyappan and M. A. Baba "Diffusion studies"

Metallurgical Engineering Department :

i) Dr. A. R. Chisti	Studies on the Direct Reduction of Lead Ores and concentrates by Soda Bicrab and Carbon. Jn. of Mines, Metals and Fuels; No 3, 1974, P. 85.
ii) Dr. A. R. Chisti	Lead-Developments in its metallurgy Indian Jn. of Engineers, October-December Number, 1975.

Physics Department :

1. A research paper by Shri P. N. Khosa and others has been accepted for presentation in an international conference on solar terrestrial Physics to be held in Boulder Colorodo in June, 1976.
2. Dr. S. K. Sharma worked on problems connected with thin films in some Institutes, New Delhi.

Chemistry Department :

***A.** Papers published :*

Razdan T. K., G. L. Koul	a)	"Detailed Chemical composition of the oil of Thymus Serphyllum Linn" (Germ.) Reichstoffe Aromen Korperpflegimittel 25 (75) 6, 166-168.

14. Special features :

Civil Engineering Department :

The Department of Civil Engineering has produced well qualified engineers who are manning many important projects in the J&K State including about 60 people at the Salal Dam project.

Assistance in respect of Design consultancy has been offered to Project Beacon, Military Engineering Service, P. W. D., Irrigation Department of J&K Government, Lower Jhelum Hydle Project and many other organisations in the public and private sector.

The Department continued to take active part in the professional activities of the Institution of Engineers (India) J&K Centre, Srinagar.

Electrical Engineering Department :

The Department undertook some trouble shooting and repair work for Government Briquitting Plant

Some equipment purchased by Government Press, Srinagar was tested and installed by the Department at their request.

A project scheme was drawn up by the department at the request of the Government to set up an Electric Testing Centre in the State.

Chemical Engineering Department :

1. *Consultation work :*

   i) The analysis of two samples of gunmetal and white metal (for Mohora Power Station) was carried out.

   ii) Analysis of S. A. $20^{\overline{0}}$ M. Oil (for Executive Engineer, Mechanical Irrigation Division South, Srinagar) was carried out.

   iii) A suitable model Laboratory for chemical testing was planned.

2. *Academic Honours :*

   i) Dr. V. Pachaiyappan was invited to author a chapter on "Distillery Wastes — Disposal and byproduct Recovery" by Professor JJ Mcketta, Taxes University at Austin (U. S. A.) in his forthcoming publication, "Encyclopedia of Chemical Processing and Design". The same was prepared and communicated.

3. *Research :*

   Dr. V. Pachaiyappan gave a series of lectures on "Recent Development in Thermophysical Properities for process Design" at I.I.T., Madras— February, 1976.

October 18, 1976

On this day, the "Recreation Centre for Girls" in the University Campus was declared open by Begum Sheikh Mohammad Abdullah.

24. UNIVERSITY LIBRARY

1. The most significant event during the year under review was the shifting of the University Library to its new library building in the University Campus.

2. 6668 volumes were added to the Library bringing the total number of volumes in the Library to 127,308.
3. The number of journals subscribed in the Library during the year were 530.

25. CORRESPONDENCE EDUCATION

It had been felt for long that the University should introduce an informal channel of education, namely, correspondence education to cater to the needs of persons who want to improve their education but who cannot afford, for one reason or the other, to join an educational institution as regular students. With this objective in view the University set up an Institute of Correspondence Courses which started functioning from April, 1976. During the first year, instruction was provided for B. A and B. Com. Part I Courses. About 150 students were enrolled for the courses during the year 1976.

The instruction through correpondence education was imparted in the following subjects :-

1. General English;
2. English Literature;
3. Political Science;
4. History;
5. Education;
6. Urdu;
7. Hindi;
8. Arabic;
9. Persian;
10. Economics;
11. Punjabi;
12. Sanskrit;
13. Commerce.

26. INSTITUTE OF FOREIGN LANGUAGES

In the Kashmir Valley where large number of tourists from all over the world visit every year, the knowledge of a foreign language is a valuable asset, apart from the general benefits

Jenab Sheikh Mohammad Abdullah, Chief Minister, inaugurating *"Iqbal Hall"* in the Central Library Building.

which accrue to a person knowing a foreign language. It was, therefore, recognized as the need of the hour to set up an Institute of Foreign Languages in the University. Accordingly, the Institute of Foreign Languages was set up and it started functioning with effect from January 24, 1977. In the initial stage of its development, 20 candidates sponsored by the departments of Tourism, Tawaza, Road Transport Corporation and Hoteleering Agencies were enrolled for a three-month Rapid Course in French. The language was taught by direct method, using some of the modern equipment and audio-visual aids.

27. NATIONAL SERVICE SCHEME

The National Service Scheme started by the Union Ministry of Education and Social Welfare in 1969 was introduced in the University in March 1976 and to start with, a special Camping Programme, with the theme "Youth for Afforestation and Tree Plantation" was organised. About 160 volunteers from various Colleges of the Valley and one unit from the Post-graduate Departments participated in the week long programme.

For the year 1976-77 the N.S.S. Student Volunteers allotted to this University were about 1500 which were distributed as follows:

S. No.	Name of the Institution	No. of students
1.	S. P. College, Srinagar	150
2.	Amar Singh College, Srinagar	100
3	Govt. Medical College, Srinagar	100

	Total :	1500

Each N. S. S. Unit adopted a village for its activities and after making a preliminary survey and identifying the needs of the area, the following projects were taken in hand under regular activities :

1. Health Survey ;
2. Non-formal Education ;
3. Construction of Roads and Bunds ;
4. Digging of Composite Pits ;
5. Blood Donation ;
6. Tree Plantation ;
7. Environmental Sanitation ;
8. Organising Youth Clubs ;
9. Family Planning ;
10. Eradication of Social Evils ;
11. Campus Projects ;
12. Cultural Programmes.

The Blood Donation Camping was started by the N. S S. Volunteers to donate blood to the Indian Red Cross Society. About 100 students and teachers from various Colleges donated the blood. Adult literacy classes were conducted in the villages by N S S Volunteers, besides classes for children of the slum were also organised Social Service Camps were held by the N. S. S. Volunteers at the time of Hazratbal Mela Mela, Khir Bhavani and other religious places.

The special camping programme was organised by various colleges affiliated to the University, in which 419 volunteers participated. The theme of the special camping programme was "Youth for Rural Reconstruction". The camps were held in the rural areas of the valley.

The following assets of permanent value to the community were constructed :

1. A 1.5 k. m. long link road in the village Prang by the students of Islamia College ;
2. The students of Government College, Anantnag laid 5000 briks and collected other building material for addition of two rooms to a Middle School which was otherwise housed in just two rooms. The building will be constructed in the second phase of the camping.
3. The students of Government College, Anantnag repaired a Culvert/Bridge connecting two villages that was destroyed by the floods.

The students also raised a new 200 ft. bund over Lidder Stream in Anzipora. The bund was washed away by the flood waters. The timely action by the campers saved other villages from onslaught of floods. The students of Gandhi Memorial College repaired the badly damaged link road (Dhari-Muran Road) in Tehsil Pulwama and made it servicable. The students of Govt. College, Sopore and M. E. T. Teachers' College, Sopore constructed several public conveniences, bathrooms, latrines in the village of Dugal Teng and Tulibal, repaired a link road adjacent to college connecting the village Dugal Teng with main road. The road was badly damaged by the floods. They also saved the Lime-Kiln from disaster from the incessant rains and floods.

The students of Government College, Baramulla constructed and repaired a 6 k. m. long link road in Baramulla.

The girl students of Government College for Women, M. A. Road and V. B. College for Women, Rainawari launched environmental sanitation, planning of better environment, cleanliness drives, campaign against dowery and other social evils, organised family planning seminars, mass immunisation of children and drive against literacy. They went from home to home and cleaned all the lanes, compounds and houses of the villages Danpora-Nishat and Chandpora-Shalimar.

The students did laudable work in undertaking programmes pertaining to literacy, family planning, eradication of social evils, small savings, held discussions on various problems to motivate villagers to take part in Nation Building. The students also organised community sport and presented Cultural programmes.

The student volunteers were working in close co-operation with the local people and under the guidance of the programme Officers, Principals, Village Headmen and several officers from various development departments.

The following Colleges held the camps at the places shown against each during the period under report :

Inter-University Participation

The University participated in the following Inter-University Tournaments held at various University Centres :-

Foot-ball

The University defeated Garwal, Himachal, Jamia Millia, Delhi and lost to Kurukshetra University—last years' runners up—in a replayed match in a tie breaker just by a margin of one goal. Our players gave a good display of their game during all the above matches. Three of our players were included in the selected list of 21 players for the combined North Zone Universities Team. Selection was made by a Committee appointed by the Inter-University Sports Board of India.

Hockey

The Tournament was organised by the Allahabad University at Allahabad. Kashmir University lost in the Ist round to much superior team of Rohailkhand University by a margin of one goal.

Volley-ball

The matches were organised by the Rajasthan University at Jaipur. We were pitched against a formidable side of Aligarh University and were eliminated in the first round.

Cricket

The matches were played at Jammu University. Our team won their first match against Jamia Millia, Delhi and lost to Kanpur University in the second match by a narrow margin due to the injuries suffered by our two good batsmen.

Hockey (Women)

The tournament was organised by the Mysore University at Mysore. For the first time after a lapse of many years, the University Women's Hockey Team participated in the tournament. Our team got a walk-over from the Kurukshetra University and lost to Madras University. Score was 1-2.

Badminton (Men & Women)

The matches were organised by Bundelkhand University at Jhansi. Both men and women teams of the University won the first round but were eliminated in the second round.

Table Tennis (Men & Women)

The matches were organised by Ravishankar University at Raipur. Although the teams were eliminated in the first round but this showed improved performance. Two or three practice matches were played by them against some good sides of other Universities.

Coaching Programmes in Colleges

The three University Coaches were deputed to various colleges to impart coaching to their teams from May, 1976 and following colleges were covered under the programme :-

1. S. P. College, Srinagar,
2. A. S. College, Srinagar;
3. Islamia College, Srinagar;
4. Govt. College for Women, M. A. Road, Srinagar ;

5. Govt. College for Women, Nawakadal, Srinagar ;

7. Govt. College, Sopore;
8. Govt College, Baramulla ;
9. Govt College, Anantnag;
10. Govt. Agriculture College, Wadoora;
11. Muslim Educational Trust College, Sopore.

The coaches were allotted to each college for 15 days by rotation. The period assigned to some colleges was extended on the request of concerned Principals. The suggestion made by some of the Principals that the coach be assigned to each college for atleast three weeks has been kept in view. On the whole, Principals of various colleges were satisfied with the work of coaches as communicated by them.

Coaching of University Teams

Coaching camps for the University in Hockey, Football and Cricket were organised at the campus and other convenient college grounds in September and October. The coaches got a chance to followup with some of the players whom they had coached earlier in the colleges.

Inter-University Tournaments
(Organisation)

After a lapse of several years the University hosted Inter-University Football Tournament at Srinagar in October, 1976. Twenty Universities actually participated in the tournament. The matches were played at the Sports Stadium and Amar Singh College grounds. In all twenty six matches were played and were concluded within the specified time. Hundreds of students and non-student spectators witnessed the matches daily. About 400 players and officials from 20 Universities who participated in the tournament were lodged in the Youth Hostel and hotels. All the visiting teams enjoyed their stay at Srinagar as they were looked after well both on and off the field.

The Principal, A. S. College, Srinagar extended his full co-operation to make the tournament a success Members of the

Organising Committee M/S K. S. Sethi, Mohd. Yaseen, Noor Mohammad Kengh, Chaman Lal Shangloo, Mohd. Amin, University Coaches and other staff of the field worked hard during the tournament

5. **Hostel Facilities**

Three students and one research scholar resided in the University Hostel.

6. **Games Facilities :**

The department participated in various games organized by the University.

7. **Hikes/Educational Tours etc. (if organized)** Nil

8. Seminars/Conferences/Congresses attended

S. No.	*Name of the teacher*	*Seminar/Congress Conference attended*	*Date*
1.	Dr. Kachroo, Dr. Gohil and Ranjana	International Seminar on Flower Biology	December, 1976
2.	Dr. P. Kachroo	Indian Science Congress	February, 1977
3.	Dr. Kachroo, Dr. Gohil and Ranjana Kaul	Seminar on Recent Research in Botany	January, 1977
4.	Dr. V. Kaul	Seminar on Teaching Ecology	January, 1977

9. Research Facilities :

In Taxonomy, Ecology, Anatomy, Physiology, Cytology, Limnology and Productivity etc.

10. Details of Research Publications, during the year with date and name of the journal

1. Dr. P. Kachroo

1. Forest Flora of Srinagar and plants of neighbourhood (with Dr. Gurcharan Singh).
2. Hepaticae of India. A taxonomic survey and census V. Fossombroniaceae through Anthocerotaceae (with Sh. G. L. Dhar) J. Indian Bot. Soc. 1977.

2. Dr. V. Kaul

1. Teaching of Ecology and Environmental Sciences in Indian Universities Proc. Semi, Jaipur.
2. Biological Spectrum of the Flora of Bhaderwah. Trop. Ecology
3. Ecology and biomass production of some dominant macrophytes of Wetlands of Kashmir. Trop. Ecol.

3. Dr. G. N. Javeid

1. A new plant record for India—Bull. Bot. Surv. India Vol. 15 (3 and 4)—1977.

2. On the correct identity of Polygonum hagei Geobioss 4 : Vol. 4 (2) : 81 (1977)
3. Elatine Triandra and Bergia ammannoides—two new plant records in the Himalayas. Geobioss 4 : 158-160, 1977.

4. **Sh. G. L. Dhar**

1. On the Cytology of Platannus Oxientalis Linn..in Press.
2. Anatomical studies in Parrotiopsis jacquemontiana— in press.
3. Hepaticae of India. A taxonomic survey and census V. Fossombroniaceae through Anthocerotaceae. J. Indian Bot. Soc. 1977 (with Dr. Kachroo).

5. **Dr. A. M. Shah**

1. Wood in Moraceae. Symposium in Patiala University, Patiala.
2. Anatomy of Leaf in some species of Morus Symposium in Patiala.
3. Anatomy of Acer species. Indian Science Academy.

6. **Dr. G. M. Butt**

1. Seed Coat Anatomy of some Cucurbitaceae I. Symposium in Patiala.
2. Seed Coat Anatomy of some Cucurbitaceious seeds II. Symposium in Patiala.

7. **Dr. R. N. Gohil**

1. Gohil and Ranjana, 1976. Base number for the genus Alliaria CIS 20 : 17—18.
2. Gohil and Kaul Ranjana, 1976. Desynapsis in Alyssum saxatile. CIS, 21 : 10—11.
3. Gohil, R. N. and Koul, A. K. and Ranjana Kaul, 1977. Cytological variability in the seed progony of Allium tuberosum. Recent researches in Plant Science. Symposium held at Patiala.

4. Gohil, R. N. and Koul, A. K. Karihallo, J. L. 1977 Pollanstudies in some monocots. International symposium on Palynology held at Lucknow.

8 Shri A. R. Naqshi

1. 1976. Chorispora bungeana Fisch. et Mey. An addition to the Indian Flora.
2. 1976. On the Identity of Indian material of Rorippa islandica Geobioss 3 : 165-166, 1976.

6. Hostel Facilities

Three students resided in the University Hostel.

7. Games Facilities

The Department participated in the Inter-departmental tournaments and participated in all the games.

8. Educational Tour

No tour was organized.

9. Seminars/Conferences/Congresses attended

Nil

10. Research Facilities

The department has facilities for conducting investigations in the following fields of research :-

1. A comprehensive polarographic study of organomentallic complexes in Aqueous and non-Aqueous Medium.
2. Combustion Studies of Solid Rocket Propellants.
3. Electrical phenomena at solid liquid interface
4. Chemical Examination of Aquatic Plants.
5 Synthesis of possible drugs e g. antiamoebic agents.
6. Co-ordination chemistry and complexes.

11. Details of Research Publications during 1976-77

1. Stability constants of some Transition metal complexes

with Schiff's base of m-anisidine and m-aminophenol, Indian Journal of Chemistry (in press).

2. Stability constants of Soem Transition, transition metal complexes with Schiff Base derived from P-anisidine, Chemical Era.
3. Physico-Chemical studies of Schiff base metal complex, De-chimia Minrale t. 23.
4. Stability constants of Cu (II), AG (I) and Au (III) with Schiff base derived from O. Anisidine, Current Science, (communicated).
5. Complexes of Cu (II), Zn (II), UO_2 (II), Pe (III) and Ni (II) with Schiff bases derived from salicylialhyde and O-Aminophenol (communicated).
6. Stability Constants of Glutamic acid complexes with some metal ions, Indian, J. Chem. 1976.
7. Spectrophotometric Studies on Cu (II) glutamic acid complex, Chem. Era.
8. Vitamin C-Complexation and Oxidation in aqueous solutions Part I—Equilibrium Studies on ascorbate Ni (II) systems, Ind. J. Chem.
9. Condensed Phase heat of reaction in Phenol-formaldehyde composite Propellants, AIAA, Journal, Vol. 14, NO: 12, 1976, PP, 1776.
10. "Ignition delay of composite solid propellants", Combustion and Flame, (in press).
11. "Effect of Pressure on heat of explosion", Combustion and Flame (in press).
12. "The application of Solochrome Fast Navy 2, RS" as an acid base as well as EDTA Complexo metric Indicator (Communicated).
13. Dissolution Potentials of Nitrates of Sodium, Potassium and Ammonium, Indian Journal of Chemistry, 14 A, P-160, 1976.
14. Dissolution Potentials of Sodium and Potassium chlorides, bromides and iodides and of Ammonium halides, Indian Journal of Chemistry, 14A. P-561, 1976.

15. "Effect of Temperature and Concentration on dissolution Potentials", Indian Journal of Chemistry (in Press) 1977.

16. "Dissolution Potential of some bi-univalent electrolytes" Journal of Electrochemica Acta, 22, 376, 1977.

17. "Precipitation potentials of some bi-univalent electrolytes," J. of Electrochemica Acta, in press, 1977.

18. "Diffusion and diffusion potential of electrolytes," Chemical Era, Vol. 12, p, 362, 1976.

19. "Phase Potential at Solid-liquid interfaces," chemical Era, Vol. 12, No: 8, P. 312, 1976.

20. "Dissolution and precipitation potentials of Oxalic acid," journal of Electroanalytical Chemistry, accepted, 1977.

13. Special Features

1. The Department hold regular almost weekly seminars. The special feature of seminar is that besides speakers from outside, the students of the department read papers and the students in general participate in discussion.
2. The Department organized the III University History Debate in the year 1976.

3. The students of the department participated in the National Service Scheme.

9. DEPARTMENT OF KASHMIRI

The Department undertook some projects for the development of the Kashmiri Language and its literature (details given below) in consultation with the members of the Consultative Committee and with the financial help of the University.

1. Preparation of basic books in Kashmiri

The Department prepared manuscripts from 13 basic books during 1975-76, which deal with various scientific and literary subjects and which stand now ready for the press. The books, when published, are expected to prove to be extra ordinarily significant for the language as a whole and for paving the way for the inevitable introduction of Kashmiri at various levels including the Diploma Course in Kashmiri.

2. Dictionary of men of letters of Kashmir

The project regarding the compilation of a Dictionary of men of letters of Kashmir was taken up in hand with a view to preparing and consolidating in one volume a sort of a reference-book providing a brief bio-data and concise description of the work of all ancient and modern prominent writers of Kashmir irrespective of whether they wrote in Sanskrit, Persian, Hindi, Urdu or English. The dictionary was divided into seven sections all of which have been duly prepared and reviewed. The Dictionary is complete in every respect and is ready for press now.

3. Tri-lingual Dictionary

With the financial help from the Ministry of Education, Government of India, the Department has taken up a project regarding compilation of two Tri-lingual Dictionaries, namely :-

1. Hindi-Kashmiri-English; and
2. Kashmiri-Hindi-English.

The board of editors appointed for this purpose has already completed the first Hindi-Kashmiri-English Dictionary and it is being improved upon/revised according to the suggestions of the reviewer. When completed this project will raise the status of Kashmiri still higher amidst other sister languages of the country.

4. Research Bi-annual Journal

The Department has published a Research Bi-annual journal in Kashmiri under the name " ANHAAR". The Bi-annual has brought to light various significant aspects of Kashmir, its languages and literature.

5. Diploma Course in Kashmiri

The Department started the Diploma Course during 1976-77 and 50 students have been admitted in the Ist batch. The University Grants Commission has already approved this course and allotted funds for its implementation during the V plan period. Needless to mention here that the University has not yet appointed any additional teaching staff for the said course except one part-time lecturer. Though the University Grants Commission is reported to have approved one post of Professor and one post of lecturer for the said course.

6. Kashir Adabi Mahfil

Through its Kashir Adabi Mahfil, the Department of Kashmiri organised literary gatherings of the students of the Department and teachers of the University interested in the advancement of Kashmiri language and literature. The meetings of the Mahfil are held on every Saturday.

14. Special Features

a) This college is serving the long felt need of providing opportunities for professional training to candidates intending to adopt teaching as their profession, because the other two colleges in the Valley, both located in Srinagar, do not meet the admission requirements of the trainees from rural areas.

b) The college admits candidates from all parts of the country and thus contributes to the national solidarity also. It is serving the needs of the country as a whole, as a sizeable percentage of candidates from states other than Jammu and Kashmir get training in the college every year.

c) The college is situated on the river bank away from the din and dust of the town. The scenery of the site and the landscape around are lending good academic atmosphere to the campus, unrivalled by any such institution in the State.

d) This college has constructed three hostels as under :-

i) MET Iqbal Hostel for 75 girl candidates with 25 rooms, 11 bath rooms and other modern amenities.

ii) MET Sir Syed Hostel for 75 male candidates with 22 rooms and all other amenities.

Such hostel facilities are not available in any other training institution in this State. These facilities are proving very helpful in preparing teachers for their important role.

e) The college has been celebrating functions, inviting dignitaries, arranging extension lectures and arranging Taleemi Melas for the exhibition of teaching aids on a scale more than elsewhere and has provided chances to the trainees to organise such activities in their schools.

f) The college has been participating in inter-college tournaments and atheletic events more than any training college in the valley does. This has provided training to the teachers, under training, to organise similar activities in their schools.

g) The college has been holding monthly tests. This practice has yeilded good results, as it makes the students to revise the course covered in a month and also helps assimilation of the subject matter. Such a practice is rarelv carried on elsewhere.

6. REGIONAL ENGINEERING COLLEGE, SRINAGAR, KASHMIR

1. BOARD OF GOVERNORS

1.1. During the period under report, two meetings of the Board of Governors were held; one on 11.10.1976 and the other on 3. 2. 1977.

1.2. Important Decisions taken on 11.10.1976.

The Board appointed a Committee consisting of the following members of the board with the powers to co-opt the Principal of another Regional Engg. College to review the ratio of non-teaching posts in the College with reference to other Regional Engineering Colleges taking into consideration the special conditions of the **college :-**

1. Shri I. P. Anand;
2. Shri Mir Ghulam Rasool;
3. Shri A. M. Lanker;
4. Principal.

The Board ordered that in future in the case of a teacher deputed under Quality Improvement Programme, who is not able to complete the Ph. D. course within three years, the period of study leave should not be extended with full pay in his favour. Such a teacher will be granted leave without pay. However, in exceptional cases the period of deputation on full pay be extended by the Chairman upto a period of six months only.

The Board ordered that in case of sickness, commutation of one month's privilege leave on half pay to 15 days privilege leave on full pay be allowed. Further the Board ordered that in very exceptional cases for other purposes also, the Chairman may, however, sanction such commutation of leave. On the instructions of the Government of India, the question of revision of pay scale of administrative staff came up for considertion before the Board, and the Board ordered that the matter be considered by a committee consisting of the Chief Secretary, Vice-Chancellor of Kashmir University, State Finance Secretary and the Principal of the College, and their recommendations made effective with the approval of the Chairman, Board of Governors.

The Board amended the study leave rules as under and ordered that the amended rule may be made effective retrospectively to the case of Dr. S. K. Sadasivan and the cases of other such teachers who availed study leave after the introducation of Quality Improvement Programme :-

"Study leave on half pay may be granted to the members of the teaching staff for a period of two years for the M. Tech/M E. course after putting three years of service; and three years to a member of the teaching staff for the Ph. D. course who has put In five years service."

The Board ordered that the composition of the Standing Committee be enlarged by addition of the following three members of the Board.

1. Dr. Shanker Lal
2. Sh. I. P. Anand
3. Sh. Mir Ghulam Rasool.

The Board approved the following recommendation of the working group for increase in the annual intake from 150.

- i) to 180 from the academic year 1976-77;
- ii) to 210 from the academic year 1977-78;
- iii) to 250 from the academic year 1978-79.

The Board further ordered that the question of introduction of courses like Industrial Engineering, Textile Engineering, Electoronics, Agricultural Engineering and any other suitable course may be referred to the Standing Committee for making recommendations to the Board of Governors in this behalf; and further that the Standing Committee, if necessary may co-opt any other expert.

The Board ordered that the relevant By-laws be amended to provide membership of the Assistant Educational Adviser (T) on the Selection Committees for filling teaching posts in the College other than the Principal and Professors.

1.3. Meeting Held on 3.2.1977

The Board ordered that the candidates belonging to the Jammu and Kashmir State, seeking admission to this College be charged an Enterence Examination fee @ Rs. 10/- per candidate payable alongwith the completed admission application form.

The Board constituted a committee of the following members to go into the question of accepting money for instituting Medals, Scholarships etc. in the college and proposed detailed rules on the subject.

i) Vice-Chancellor, Kashmir University
ii) Finance Secretary
iii) Principal.

On the proposal of the Standing Committee the Board appointed two expert committees for examining the question of introduction of two new courses viz;

1. Electronics and Communication Engineering and
2. Industrial and Production Engineering

who, while formulating proposals, shall take into consideration the manpower requirements of the country with special reference to the State of Jammu and Kashmir.

The Board further ordered that simultaneously referees seeking approval of the State and the Central Government to the introduction of the above mentioned courses be also initiated.

2. 2. Budget

The net revised budget estimates of the College for the year 1976-77 and the budget proposals for the year 1977-78 (both recurring, non-recurring) are :

Account Head	Revised estimates 1976-77	Estimates for 1977-78
1. Recurring	48,35,530	47,72,010
Less receipts	4,47,755	4,84,155
	43,87,775	42,87,855
D/D cost on account of revision of pay scales	5,90,000	1,75,000
Net recurring	37,97,775	41,12,855
2. Non-recurring (Part B)	1,30,000	2,30,000
Net-recurring	39,27,775	43,42,855
3. Part II Capital (wholly to be borne by the Central Govt.)		
a) Instructional buildings and staff quarters	23,80,514	44,29,426
b) Equipments	1,35,324	5,00,000
Grand Total	25,15,838	49,29,426

The revised budget estimates for the year 1976-77 and estimates for the year 1977-78 have been framed according to the revised proposals made by the Board of Governors in their meeting held on 3.2.1977.

1. **Improvement in accounts section**

   a) The audit report for the period 1974-75 conducted by the Chartered Accountants, M/s M. K. Kaul and Associates was reviewed and action regarding adjustment of old items which were repeatedly appearing in the balance sheets has been taken. Most of the paras pertaining to the Departments concerned, for the year under reference, have been cleared and also dropped by the Auditors concerned.

   b) The audit for the year 1975-76 is being conducted by M/s R. C. Gupta at present.

2 a) The audit report of the Accountant General for the year 1974-75 has since been received. Some paras have been cleared/dropped by the A. G. and some are under process with the A. G. and the Departments for their clearance.

b) The audit for the year 1975-76 has not so far been conducted by the Accountant General.

3. Bank reconcilation statement received from State Bank of India has been completed upto 2/77 and the variation located/matter referred to the Bank for further action.

4. Adjustment af advances has been improved and the position as it stands on 1.4.1977 is Rs. 2,38,544.79 upto the period ending 3/76.
This was achieved by pursuing the Departments and obtaining the accounts from them.

5. The workshop suspense account amounting to Rs. 1,56,093.68. which was pending adjustment has also been cleared, leaving an unadjusted balance of Rs. 1,13,093.68.

6. The C. P. Fund contribution has been deposited in the Jammu and Kashmir Bank under the new scheme called Monthly Yield Scheme which has resulted in the accumulation of much more interest than the college was getting under a simple scheme.

7. Pass Books have been introduced in respect of C. P. Fund Accounts.

8. An amount of Rs. 5,383.09 which was lying in deposit since the inception of the college and has not been claimed by any party so far has been converted into Fixed Deposits to get the benefit of interest.

2. 3. College Construction

The position of the construction works in the College, ending February, 1977, was—

Development Works

The various works under "Development of the Campus" which is the responsibility of the State Government are enumerated below.

1. Construction of Roads;
2. Sewerage;
3. Laying of Water Supply;
4. Electrification of Roads;

No work has yet been started by the State Government.

3. ACADEMIC MATTERS

3.1. Admissions

The total number of applications received for admission during the year was 1950 and 181 students were admitted on the basis of the policy laid down by the Board of Governors. The state-wise break-up was :

1.	Jammu and Kashmir	103
2.	Andhra Pradesh	7
3.	Assam	1
4.	Bihar	14
5.	Delhi	6
6.	Gujrat	2
7.	Himachal Pradesh	4
8.	Haryana	3
9.	Manipur	2
10.	Maharashtra	7
11.	Madhya Pradesh	1
12.	Tamil Nadu	1
13.	Nagaland	2
14.	Orissa	1
15.	Punjab	1
16.	Rajasthan	4
17.	Sikkim	1
18.	Uttar Pardesh	1
19.	West Bengal	15
20.	Foreign Nationals	1
	Total	181

Of these, 112 were urban and 69 rural. District-wise break up of the 103 students admitted from the Jammu and Kashmir was :-

Srinagar	49
Anantnag	13
Baramulla	12
Ladakh	1
Jammu	18
Udhampur	3

Doda	...	3
Poonch	...	1
Kathua	...	2
Rajouri	...	1

3. 2. Curricular Sphere

The courses of study for all the ten semesters constituting the B. E. programme of the University of Kashmir were completely rearranged, over-hauled and up-dated. Many new courses and optionals were introduced. The Boards of Studies in various disciplines met to recommend course contents, LTP hours, text-books and reference materials and fresh panels of paper setters and examiners. These recommendations were piloted through the Faculty Meetings of 1976 by the Dean, Faculty of Engineering and forwarded to other University bodies for approval.

All these courses taught during 1976 were based on the new scheme, under which branches were alloted to students at the 4th semester level and not at the 6th semester level. Lecture diaries were maintained by teachers and lectures and tutorials were held on schedule in spite of a temporary set back on account of the college shifting from the Nassembagh Campus in July, 1976.

The department of Eelctrical Engineering prorosed the introduction of courses in Electronics and Communications Engineering in accordance with a Board resolution.

More or less on the same lines the department of Mechanical Engineering started work on the introduction of Industrial-cum-Production Engineering. A Board sub-committee is examining these proposals.

3. 3. Research, Publications and allied work

Members of the staff continued to engage themselves in academic pursuits. A brief statement of publications/papers commuicated/research activities/other academic involvement is given below.

Civil Engineering

Wakhlu, O. N.,	Got a research scheme on "Micro-Hydraulic Studies" with grant of Rs. 3,000/-approved by the U. G. C. Dr. Barkat Hussain and Shri A. K. Kakroo, both of whom belong to the Civil Engineering Department are also associated with this work.
-do-	"Hydraulic Design of a Diversion Work on a steep Incised River", Journal CBIP. Vol. 33, No.3, July 1976, PP. 321-330.
-do-	"Flow Resistance in Broad Shallow Grassed Channels" discussion proc. ASCE Hy. Div. Vol. 103, NOHY-I, Jan. 77.
-do-	"Our Engineering Tasks Ahead". Chairman's address, 11th Annual General Meeting, Inst. of Engineers (India), J and K Centre, 6th March, 1976, Bulletin I. E. (I) June 76, Vol. 25, No.11.

b) Dr. R. S. Parmar was awarded the Institution prize for 1975-76 by the Institution of Engineers (India) for his paper entitled "Penetration in Underwater Shielded Metal-Arc Welding", published in the Institution Journal Vol. 56 p. t M. E. I, July, 1975.

3. 5. Consultancy Work

In order to keep pace in scientific and technological advances and to improve their professional competance the staff of the Engineering Departments of the College have been allowed to do consultancy work for Government and private sector undertakings with the permission of Principal.

During the year under report, the Civil Engineering Department provided consultancy services in respect of the following works to various agencies :-

1. Foundation design for Babha Atomic Research Centre Complex at Zakura, Srinagar.
2. Foundation design studies of establishing Complex under construction by the Srinagar Development authority.
3. Consultancy report on the suitability of use of cement for high altitude work of Stakna Hydel Project.
4. Additional model studies report on Stakna Hydel Project.

Metallurgical Engineering Department

The following consultations have been undertaken by the Metallurgical Engineering Department :-

1. Assessment of Galvanized Coatings of Guy Rod, Guy Plate and Straining Screw.
2. Qualitative and Quantitative Assessmet of Galvanized Steel Wire Ropes.

4. ACADEMIC FACILITIES

4.1. College Laboratories

Except in the case of the Mechanical Engineering Department which for years has been located at the Hazratbal Campus, the development work of Laboratories came to a standstill on account of the sudden decision to shift the College from Nassem Bagh to Hazratbal. The laboratories at Naseembagh were dismentled and the re-installation of these laboratories went well into 1977 because of the lack of water and electrical connections.

The Mechanical Engineering Department

i) Completed the installation of Steam Turbine, Condenser Unit and Cocking Tower tec in the Steam Laboratory which was fully commissioned in October, 1976;

ii) Commissioned the Ruston Diesel Engine in the I. C. Engine Laboratory;

iii) Got furniture for the Industrial Engineering Laboratory fabricated by the College Workshop; and

iv) Shifted the entire equipment of the Refrigeration and Air Conditioning Laboratory from its old site to the permanent site.

4. 2. College Library

1665 new books were added to the collection which now stands at 17811 volumes. 351 pamphlets also were acquired.

Under the Book Bank Scheme 1853 books of immediate value to students were added to the stocks during the period under report.

The College subscribed 80 Technical and Scientific journals. 20 journals were received free. The total nubmer of bound journals in the Library stood at 1695.

Books were issued 36758 times for home study and 20299 times for library study during the period-March, 1976 to December, 1976. In the textbook section 16459 requests for consultation were attended to.

5. STUDENT LIFE

5. 1. Students Life on the campus was normal. Every effort was made to provide basic comforts to students to enable them to pursue their studies vigorously. Their needs were attended to in terms of health care, release of loans and scholarships and issue of rail and air concession forms. Attendance on the sports fields was good.

5. 2. Hostels

During the Spring of 1976, the hostels housed 468 resident scholars and during Autumn, 601 resident-scholars. Hostel affairs were looked after by six wardens, the Chief Warden and the Provost. Students were encouraged to run their own affairs through the Mess Committee and Profectorial System, and throughout the period under report the hostels functioned smoothly and evenly

6. FINANCIAL AID AND SCHOLARSHIPS

In all 152 scholarships were given by the College. Merit-cum-means scholarships were awarded at the rate of Rs. 75/- per month to students whose parent's/ guardians income was below Rs. 500/- per month. Merit scholarships were awarded at the rate of Rs. 100/- per year with exemption from tuition fee of Rs. 180/- per year to students whose parent's income was above Rs. 500/- per month. The following is an abstract of other scholarship and aid given to students :-

1. Social Welfare Scholarships to 32 students, totalling Rs. 58,286.00
2. National Scholarships to 37 students, totalling Rs. 41,472.00
3. Financial Aid, other than College Aid, to one student, totalling Rs. 200.00
4. College Financial Aid to 28 students, totalling Rs. 2,724.00

7 STUDENTS PLACEMENT AND TRAINING

The Department of Training and Placement arranges unpaid vocational practical training for students and absorption of outgoing graduates under apprenticeship schemes. During the period under review, this Department :-

a) arranged a Vocational training for 175 students of the College;

b) was responsible for apprenticeship offers being made, under the Board of Apprenticeship Training, Government of India, to 49 graduates of the College of whom the Civil Engineering batch did not finally benefit by the scheme because they were immediately absorbed as Junior Engineers by the Jammu and Kashmir Government ;

c) brought prospective employers such as visiting executives, officials and selection teams to visit the College and to meet the students with a view to finding out employment avenues for our students;

d) was instrumental in the selection of 18 out of 31 students of our College in the preliminary interview for direct entry to Indian Navy, held by Commd. R. P. Singh and Lt. Commd. S. Kulkarni in the College;

e) provided, through visits by Secretary, Industries Department, Jammu and Kashmir Managing Director, State Financial Corporation, General Manager, State Bank of India, Director of Industries, Jammu and Kashmir, and Director Small Scale Industries service Institute motivation to our students for careers in entrepreneurship.

8. MAINTENANCE

8. 1. College Estates

This Section looked after the general physical maintenance of the College Campus, repairs of hostels and other buildings, roads and other structures and maintenance of water supply and other fittings in the Campus.

Some of the important jobs undertaken by this Section during the period March 1976 to February 1977 were white washing, replacement of glass panes, repairs and replacement of furniture and hostel beds. Liveries were provided to Class IV employees, fire-fighting equipment was procured and hard coke for stoves was made available.

However, the most important task undertaken by the Estates was the shifting of the College from Naseem Bagh to Hazratbal according to a carefully prepared plan, without any serious damage, loss or breakage. The Metallurgical Engineering Structure, dismentled at Naseem Bagh, was rebuilt at the Hazratbal Campus in record time.

8. 2. Electric Maintenance and Electrification

This Section looks after the maintenance and repairs of the electric supply system in the College. However, in view of the urgent requirements of the College, it has lent more than a helping hand in planning and executing electrification works, mainly the following.

i)	Assistant Professors Quarters ...	(Cost Rs. 13,000/-)
ii)	Hydraulics Laboratory	(Cost Rs. 6, 000/-)
iii)	Instructional Blocks	(Estimated cost Rs. 3,50,000/-)

Electrificatlon repairs in the Workshop (Rs. 5000/-), renovation of the electrical distribution system in the hostels (about Rs. 7,500/-) and electric wiring of the Heat Engine Laboratory and Boiler House (about Rs. 6, 500/-). were also satisfactorily completed by this Section.
